IGNITING A NEW DIGITAL ERA: MEET ICT & BITEX 2025

Meet ICT & Bitex 2025 marked a powerful leap in Bahrain's digital journey, marking its 13th edition, Meet ICT & Bitex 2025 unites global tech leaders, innovators, and industry pioneers under the vision of an AI-driven future. With strong regional and international participation—including Microsoft as the official tech partner—the event showcased groundbreaking advancements across AI, IoT,

fintech, cybersecurity, and digital transformation.

More than a conference, it became a catalyst for inspiration, collaboration, and national progress. This year's achievements reflect a region rising with ambition—driving innovation, empowering talent, and shaping a bold digital economy for generations to come.

KEY HIGHLIGHTS THAT SHAPED THIS YEAR'S SUCCESS

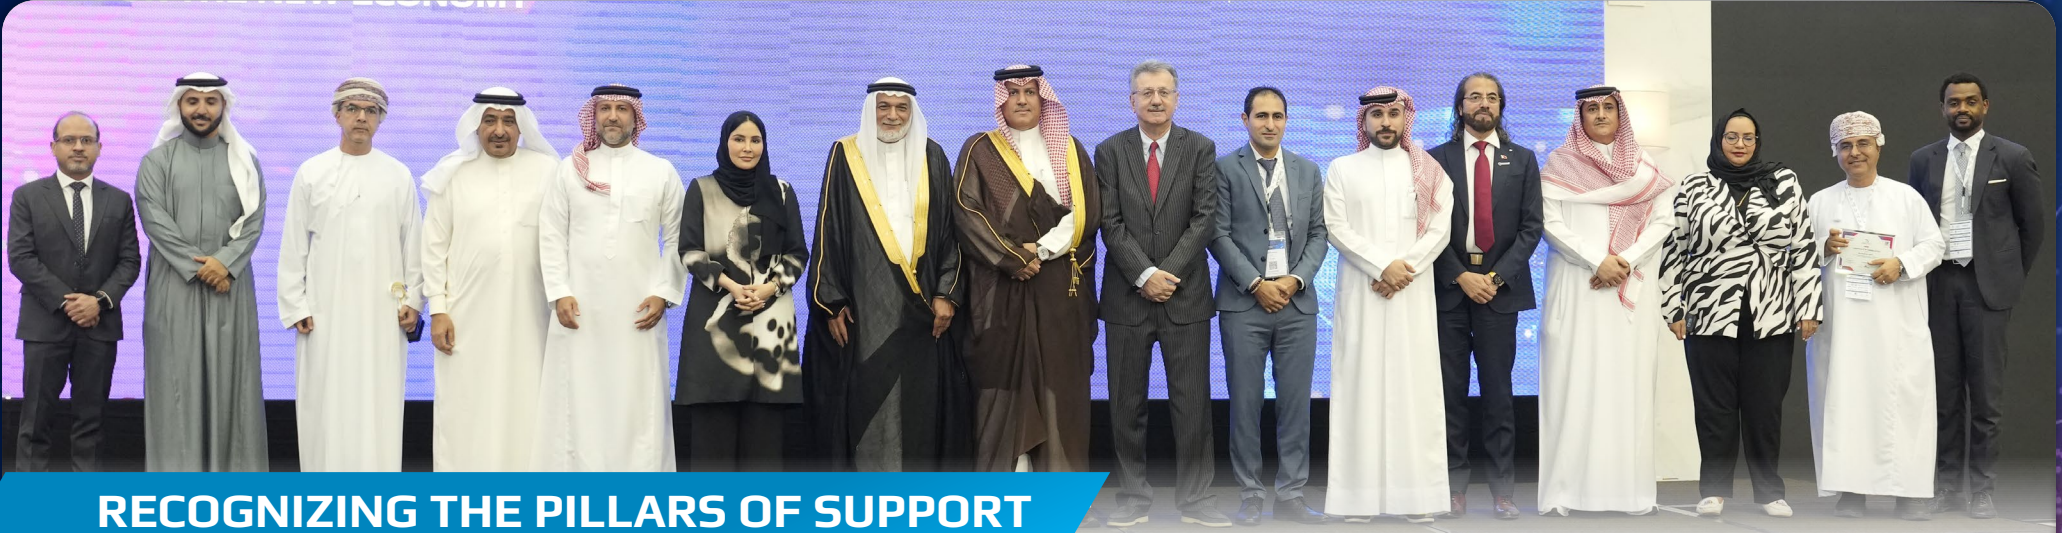

Meet ICT & Bitex 2025 achieved remarkable impact through strong regional and global participation, high-level partnerships—including Microsoft as official tech partner, Morocco Business Delegation meeting and Arab ICT Business Matching, along with the diverse technology showcases spanning AI, IoT, cybersecurity, fintech, and digital transformation. The event further strengthened Bahrain's commitment to innovation, advancing national digital economy goals with purpose and momentum.

WHERE VISION MEETS MOMENTUM: A POWERFUL START TO MEET ICT & BITEX 2025

The inauguration of MEET ICT and BITEX 2025 set an inspiring tone for an extraordinary three-day journey of innovation and collaboration. Graced by the presence of H.E. Fatema Abdulla AIDhaen, alongside senior government leaders and global technology pioneers, the opening ceremony highlighted Bahrain's rising influence as a regional force in AI and digital transformation. This high-level gathering not only reflected the nation's commitment to progress but also energized participants with a shared vision for shaping the future of technology.

RECOGNIZING THE PILLARS OF SUPPORT

The success of MEET ICT and BITECH 2025 reflects the steadfast support of our strategic partners, sponsors, and supporters, whose commitment helped bring the event's vision to life. Their collaboration strengthened the spirit of innovation and unity that continues to shape Bahrain's leadership in AI, ICT and digital transformation. Their contributions not only elevated the event but also reaffirmed a shared dedication to advancing the region's digital future with purpose, clarity, and ambition.

EMPOWERING MINDS, SHAPING TOMORROW: The Executive Panel Session

The Executive Panel Session at the MEET ICT and BITECH 2025 inauguration brought together visionary government leaders, industry experts, and global technology innovators for a powerful dialogue on **“Empowering the Future: Skilling for the AI Era in the GCC.”** This dynamic exchange highlighted the region's commitment to nurturing talent, accelerating digital capabilities, and preparing the workforce for an AI-driven future. With forward-thinking insights and collaborative spirit, the session reinforced a shared belief: the GCC is not only embracing technological change but actively shaping a smarter, more resilient, and opportunity-rich tomorrow for generations to come.

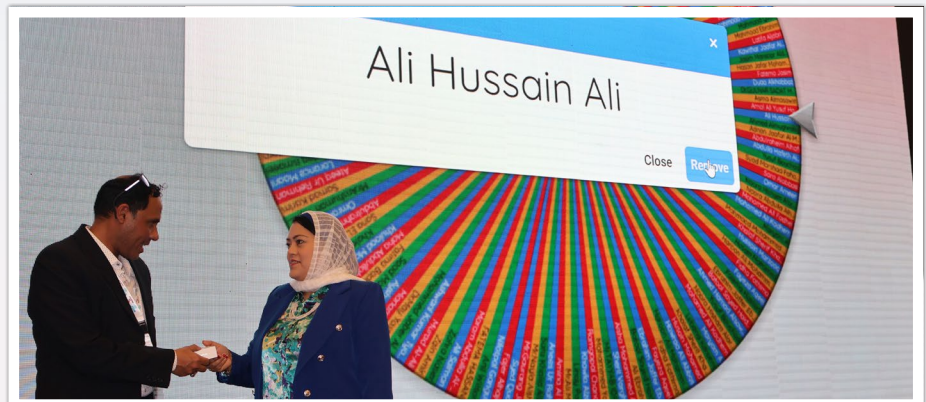

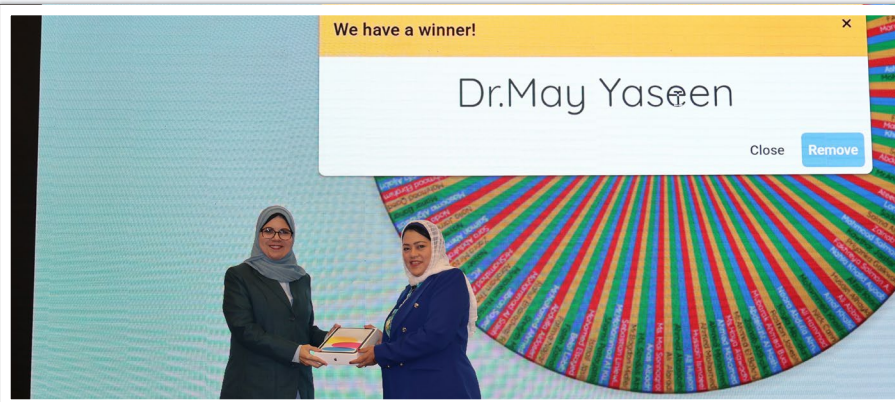

INNOVATING BEYOND BOUNDARIES: THE FLAGSHIP TECHNOLOGY CONFERENCE

Centered around the theme “Innovate, Transform, Elevate: AI for the New Economy,” this year’s flagship conference highlighted the powerful role of artificial intelligence and emerging technologies in shaping a smarter, more competitive future for the region. Over three inspiring days, participants immersed themselves in thought-provoking panel discussions, visionary keynote sessions, and hands-on workshops led by global and regional experts.

The event brought forward fresh perspectives on AI, cybersecurity, fintech, cloud computing, IoT, digital governance, and smart solutions—encouraging leaders to reimagine what is possible. This collective exchange of ideas reaffirmed a shared commitment to progress, innovation, and sustainable digital growth.

Conference , Q&A, Raffle Draw and Workshop

WITSA Board Meeting

The World Innovation, Technology and Services Alliance (WITSA) held its Board Meeting alongside the MEET ICT Conference & BITECH 2025 Exhibition. Global board members discussed critical technology priorities, including Cybersecurity, Artificial Intelligence, and emerging digital policy trends.

Key announcements were made regarding WCIT 2026 and the inaugural WITSA Global AI Summit & AI Awards. The Board reaffirmed its commitment to expanding the WITSA Global AI Ecosystem Network and encouraged members worldwide to join the initiative.

ARAB ICT UNION MEETING

The Arab ICT Union Business Meeting at MEET ICT & BITECH brought together influential business leaders, CIOs, and technology decision-makers from across the Arab region, creating a powerful platform for strategic collaboration and regional growth. This high-level gathering

marked a significant milestone, as delegates engaged with Bahrain's leading ICT ecosystem to explore investment opportunities, cross-border partnerships, and future-focused initiatives that will drive the digital economy forward.

SHARQIYAH CHAMBER DELEGATION

We were honored to welcome the distinguished Sharqiyah Chamber Delegation to MEET ICT & BITEX 2025, where they engaged in impactful business meetings and explored promising opportunities with delegations from across the region. Their active participation strengthened cross-border cooperation, opened doors for new investments, and reflected a shared vision for advancing digital transformation and innovation. Their presence added tremendous value to the event's mission of connecting economies, empowering partnerships, and shaping the future of the ICT industry.

THE VOICE OF SUCCESS

The experiences of our participants offer a genuine reflection of MEET ICT and BITEK 2025—capturing the energy, insights, and engagement that defined the event. Their testimonials showcase how the conference inspired, informed, and connected attendees, highlighting the event's impact and success through the authentic voices of those who experienced it firsthand.

Where Technology Meets Community: Building a Smarter Tomorrow

“We were happy with the connection made at this event, from engaging panel discussions to networking with VIPs”..

Thinksmart for Development and Training

“A new different ways of seeing technology within the area. We're seeing people in different countries and this being the first time Bahrain hosts such a diverse gathering, it's an excellent opportunity to network and showcase the capabilities of Bahraini companies.”

Experiences Shared by First-Time Participants

"BITEK is one of Bahrain's most prestigious IT solutions events. Hilal Technology is proud to support the event and showcase the technologies we provide to our end users."

I highly recommend participating in this type of event, especially with our Microsoft partner involved, as it helps us stay engaged with more clients and gain greater business visibility.

This is my first experience at BITEK, and it has been an excellent event. It brings together IT professionals, key stakeholders in the Bahrain market, and international vendors as well.

We usually prefer smaller, more intimate events focused on AI services. This is our first time in Bahrain, and the experience has been excellent.

This is our first time participating in the event, and we're here to explore business opportunities in Bahrain. It's a great place to showcase our company and connect with potential partners.
