- Speed Networking Session

Highlights that Shaped Success

The inauguration of MEET ICT and BITEX 2025 set an inspiring tone for an extraordinary three-day journey of innovation and collaboration. Graced by the presence of H.E. Fatema Abdulla AlDhaen alongside with senior government leaders and global technology pioneers.

More Than a Technology Event — A Platform for Connection, Innovation, and Impact

The session brought together senior representatives from MCIT Saudi Arabia, the Telecommunication Regulatory Authority, and Green Motion Oman, and was moderated by Mr. Ahmed AlHujairy, Chairman of the Arab ICT Union.

Sponsor’s Spotlight:

Showcased our sponsors, amplifying their brand and connecting them with industry leaders through a 20 minute privileged address at the MEET ICT opening ceremony.

Key Engagements with our International Delegations

Highlighting meaningful interactions and collaborations with our international delegations.

The board meeting united WITSA and BTECH leaders to discuss the inaugural **WITSA Global AI Summit & AI Awards**, reaffirming WITSA's commitment to expanding its global ecosystem and promoting worldwide member participation.

Representatives from EITESAL, JEA, APEBI, and BTECH discussed regional technology advancement, digital transformation, and the role of ICT in driving economic and societal development.

A delegation from Asharqia Chamber in Saudi Arabia attended MEETICT and BITEX, engaging in impactful business meetings and exploring promising opportunities with regional delegates, fostering collaboration and potential partnerships across the GCC and beyond.

Experiences Shared by First-Time Participants

"This is my first experience at BITEX, and it has been an excellent event. It brings together IT professionals, key stakeholders in the Bahrain market, and international vendors as well."

BAHRAIN DATA SYSTEMS
بحرين داتا سستمز ذ.م.م.

"This is our first time participating in the event, and we're here to explore business opportunities in Bahrain. It's a great place to showcase our company and connect with potential partners."

CAZASOUQ

"I highly recommend participating in this type of event, especially with our Microsoft partner involved, as it helps us stay engaged with more clients and gain greater business visibility."

Global iTS

"We usually prefer smaller, more intimate events focused on AI services. This is our first time in Bahrain, and the experience has been excellent."

MindRockets

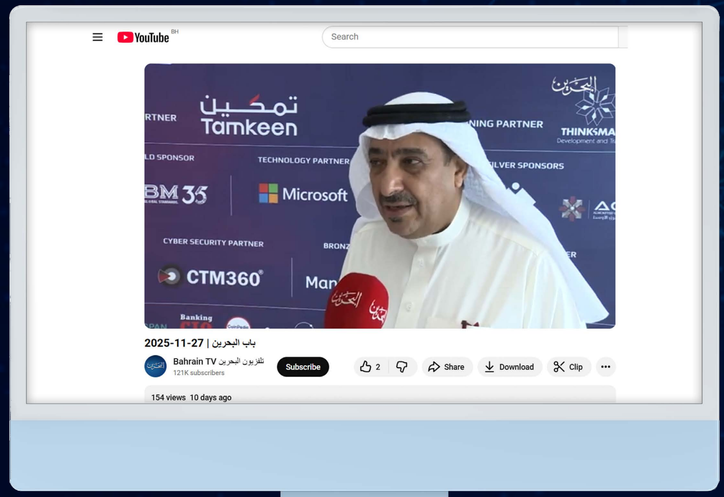
A New Era of Connection: Pathways to Collaboration

Ms. Kheloud Mohamed, CEO of **Impact Management**, a UAE-based advisory and solutions firm, and **Mr. Ahmed Al Hujairy**, CEO of **GFB Solutions**, signed a Memorandum of Understanding (MOU) during **BITEX**.

Noventiq was recognized as Microsoft Country Partner of the Year during **BITEX 2025**. Honoring the presence of Sh Saif Al Hosni,Country Manager of Microsoft Oman and Bahrain and Mr. Amit Nandi , Managing Director of Noventiq.

Behind the Headlines: Setting the Stage Across Modern Media platform

Timely press releases amplified our visibility across media outlets, announcing major partners, milestones, and key developments throughout the event.



Proud to have Meet ICT & BITEX featured on Bahrain TV, highlighting the event's impact and regional importance. A milestone moment showcasing our growing influence across the tech ecosystem.
